

The Kentucky Historical Society and Morehead State University hosted the National History Day in Kentucky Regional Contest on Saturday, March 30. We welcomed over 90 students from 10 schools for this sixth and final regional contest of the NHDKy season. The students and their projects listed below qualified for the opportunity to compete at the National History Day in Kentucky State Contest at the University of Kentucky on April 27.

Students presented their exhibits, documentaries, websites, performances, and papers featuring topics related to this year's national theme, "Triumph and Tragedy." Each student or group showed their project to a panel of judges who determined which projects would qualify for the NHDKy State Contest. The top 1/3 of projects in each category advances to the NHDKy State Contest. To find out more or to become involved in this program visit: www.nhd.org or www.history.ky.gov/nhdky.
